### **A Thank You for Supporting the Synodal Process in the Diocese**

Over the last 6 months about 1700 people or about 16% of the Diocese's Mass going population have contributed to the synodal process. This has been facilitated by volunteers in many of our parishes. We would like to thank them and you for your contributions to this process. Bishop Heskett will submit a synthesis of our conversations to the Bishops' Conference and this will be made available in due course. This will then feed into the Synod of Bishops in October 2023.

Many of those who got involved appreciated this synodal way of working and so we plan to arrange some diocesan events to consider how this can be embedded at parish and diocesan levels. One thing that people have said is that the diocese needs to develop a Diocesan Pastoral Plan.
