The Spiritual care & support of our children's worship in church

As usual during the forthcoming school summer holiday period there will be no Liturgy of the Word for children at the Sunday, 10.00am Mass. As always, we thank our small but dedicated team who lead the children in this important part of their worship. In order to maintain this service we really do need a few more volunteers to come forward and help. Training and other forms of assistance are available and, if you would be interested in getting involved in this activity and helping the children when we resume in September, then please speak with Fr. M or our deacon, Simon.

Please note that the care and Safeguarding of our children means that there are certain steps that must be followed and that we need to allow time for those to take place. Thank you.

The Liturgy of the Word for children is open to all children who have not received their First Holy Communion and you can discuss with one of the leaders the appropriate time for your child to begin (from around three years-of-age). Often a parent might accompany their younger child to their first liturgy by way of an introduction but, as a general rule, the children are cared for by their group leaders. In some cases the parent may need to be present and this is understood but, in all cases, we must ask that you share with us any necessary information that will enable us to nurture your child's well-being. Clearly, any such matters are understood to be confidential.

Finally, older children and younger adults are encouraged to deepen their understanding and participation at Mass with their families and the whole community; they are, at any time, most welcome to seek to serve at the Altar, read, sing or help with the offertory procession. Likewise, if they have an idea or desire some other initiative they are most welcome to speak with Fr M or our deacon, Simon.
