

## Lenten Alms

### Diocesan Second Collections & other Charitable Giving

I know that some of you during Lent will make donations to various charitable causes. I have attached the various second collections and other causes that we would normally have supported during the period January to Easter. You should feel under no obligation but, if you are able, and you would wish to make a donation to one or more of them, then I merely offer the following for your consideration. You can contact the charities direct, where applicable, or, particularly for the Holy See and diocesan collections, simply put your donation in a marked envelope which I will then forward. You can leave your donation in the offerings box or hand it to me. Thank you.
