

Intentions for Prayer
The Fourth Sunday in Lent (B)

That all Christians may continue on their Lenten journey with hearts and minds renewed, so that we may be sources of grace and inspiration for all people:

Lord, hear us ...

That as our society gradually reopens, we may be attentive to each other and offer what help and encouragement that we may,

Lord, hear us ...

That our local, national and world leaders may strive to do their best for the people they serve:

Lord, hear us ...

That God, who sent His Son to save and not to condemn, will touch the hearts of all who have suffered abortion and bring them the gift of forgiveness and healing:

Lord, hear us ...

That motherhood may be valued and supported by society and all mothers know the gratitude of their children:

Lord, hear us ...

For an end to this pandemic; that widespread vaccination may prove successful and that nations may work together and neighbours help one another:

Lord, hear us ...

For doctors, nurses, healthcare workers and carers; that they may be sustained in their service and bring healing and help to all who are in their care during this time of pandemic:

Lord, hear us ...

For those who must endure a time of self-isolation or make the sacrifice of shielding for another; that they may have reward for their goodness:

Lord, hear us ...

For the sick, the suffering and the fearful; that they may be comforted by the presence of Christ's peace in their hearts:

Lord, hear us ...

That those who grieve for their departed loved ones may be consoled by the promise and joy of our Lord Jesus Christ:

Lord, hear us ...

That those who have died may share in the triumph of Christ over death:

Lord, hear us ...

Let us seek the help of Mary's prayers: *Hail, Mary...*
