

**General intercessions**  
Fourth Sunday of Lent (C)

**Celebrant:** God's grace touches us all and in its strength we have the courage to present to Him all our needs.

**Reader:**

For the Church: that we may grow in faith, hope, and love, and help others to discover the joy of these virtues

*Lord, hear us ...*

For all mothers; that our society may support their maternal dignity and their children value and appreciate the love that they have received:

*Lord, hear us ...*

For all who are experiencing violence and affliction, particularly in Ukraine: that their sufferings may be relieved,

*Lord, hear us ...*

For the refugees and displaced peoples of Ukraine: that God will guide them to places of safety where they are welcomed and supported,

*Lord, hear us ...*

That all those who are experiencing illness or loneliness may also know of God's love for them,

*Lord, hear us ...*

That all those who have died, especially the innocents killed in war, may know eternal rest and joy:

*Lord, hear us ...*

**Celebrant:**

Let us seek the help of the Immaculate Heart, as we say, *Hail, Mary...*

Father, may we who have strayed from your friendship also experience your forgiveness. Through Christ our Lord.
