

General intercessions

Twenty-Third Sunday in Ordinary Time (C)

Celebrant: As we present our many needs to God, let us ask for the gift of Wisdom and trust in his power to answer our prayers.

Reader:

That by word and example we may bear our crosses each day with patience and fidelity to the Lord Jesus:

Lord, hear us ...

That those who are seeking to make important choices for our country may plan with wisdom, foresight and trust in God's providence:

Lord, hear us ...

That we may be wise and faithful stewards of God's creation and strive to share justly the fruits of its produce:

Lord, hear us ...

For a renewal of creativity: that we may use the many gifts that God has given us to bring forth new blessings for all God's family, born and unborn:

Lord, hear us ...

That those who are sick or suffering may experience God's healing and the presence and care of their families and friends:

Lord, hear us ...

That all who have died may be welcomed into the eternal life Christ has prepared for us:

Lord, hear us ...

Celebrant:

Let us seek the prayers of Mary, Mother of Mercy: *Hail Mary...*

Lord, in your Providence, you know all our needs, yet you want us to worship you as the one in whom those needs are met. Hear our prayers and give us joy and peace in your presence. Through Christ our Lord.
