

General intercessions

Eighteenth Sunday in Ordinary Time (B)

Celebrant: Aware of the needs of the world we bring those needs to the Father.

Reader:

That we may boldly and faithfully point to Christ as the Bread of Life and the true sustenance for every human need:

Lord, hear us ...

That our world's leaders may work together to provide for the needs of the poor and come to know that such needs cannot be fulfilled separate from God:

Lord, hear us ...

That all who have been affected by the tragic events in Southport, but especially the stricken families and the local community, may know the peace and strength of our loving Lord as they seek to continue to live their lives:

Lord, hear us ...

That all who are sick or suffering, and particularly those that are alone, may find in Christ the path to hope and healing:

Lord, hear us ...

That those who have died may share the glory of eternal joy and resurrection:

Lord, hear us ...

Celebrant:

Let us seek the prayers of Our Lady of the Snows: *Hail Mary...*

God of life, you provided for your people of old, and you remain faithful in providing for us today. Hear and answer our prayers, through Christ our Lord.
