

General intercessions

Nineteenth Sunday in Ordinary Time (B)

Celebrant: Seeking to grow deeper in our faith we bring our needs before our God.

Reader:

That we may inspire and encourage people to know and follow Christ:
Lord, hear us ...

That Pope Francis and our bishops may be gifted with strong faith and wisdom to guide the flock entrusted to them:
Lord, hear us ...

That those countries blessed with an abundance of the world's resources may share them generously with all who are in need:
Lord, hear us ...

That Jesus, the Bread of Life, may sustain all who are sick or suffering,
Lord, hear us ...

That all who have died may come into the presence of the Bread of Heaven:
Lord, hear us ...

Celebrant:

Let us seek the prayers of Our Lady of the Assumption: *Hail Mary*...

Lord, grant that we may reflect your love to one another faithfully and joyfully.
Through Christ our Lord.
