

General intercessions

Twenty-First Sunday in Ordinary Time (B)

Celebrant: As brothers and sisters in Christ we present our prayers and petitions for the needs of the world.

Reader:

That we may be ever-grateful for the gift of Faith and always seek to grow and respond to the word of God proclaimed in the Gospels:

Lord, hear us ...

That we may echo Peter's profession of faith, that the Christ is indeed the Son of God and that he alone has dominion over the precious gift of human life:

Lord, hear us ...

That students may find in their recent exam results the just fruits of their studies, and know also a sense of satisfaction and completion,

Lord, hear us ...

That those who are sick or suffering may receive God's peace and the help and strength they need:

Lord, hear us ...

That those who have died may be welcomed into God's heavenly kingdom:

Lord, hear us ...

Celebrant:

Let us seek the prayers of Our Lady, Queen & Mother: *Hail Mary*...

Loving Father, grant that we may know and accept your loving will in our lives.
Through Christ our Lord.
